

# Why do we like being beside the seaside so much?

Geography Spring 2019

Key Vocabulary	
Camouflage	A way of hiding by blending into the background.
City	A large town.
Coast	Where the land meets the sea.
Countryside	Land that is away from cities and towns.
County	A section of a country.
Habitat	The environment where an animal or plant lives or grows.
Ocean	One of the five very large areas of salt water on the earth's surface.
Pollution	Where water, air or land becomes dirty and dangerous.
Rockpool	A rocky pool by the sea that can be seen at low tide, and that is filled and covered with seawater at high tide.
Rural	Everything linked to places in the countryside.
Seaside	An area that is close to the sea, and where some people go on their holiday.
Tide	The change in how high the oceans are where the water flows away from or back to the land.
Town	A place with many streets, buildings and shops, where people live and work.
Urban	Anything found in large towns and cities.
