15th June 2026

Dear Parents

We are inviting you to join us in celebrating our Sports Day on Friday 3rd July, at 11am. The children from all year groups will take part in a combination of races and sporting activities, which will be completed as a carousel so that you can follow your child around each activity. We would then like to invite you to stay for a picnic lunch with the children, in which we ask you to provide your own food.

Once the picnic/playtime is finished we will be allowing children to go home with their parents/carers. Those who do not have parents/carers at the picnic will stay in school.

As a school we aim to develop a love of sport and exercise and know that this has many benefits including improved mental health and wellbeing, strength, co-ordination and energy levels as well as developing collaboration, teamwork and resilience. Our sports day is an inclusive event to celebrate all these things and we invite you to come and encourage the children as they take part.

Please enter the field via the main gate from 10.45am for a prompt start at 11am. You will see clear markings around the outside of the field for you to stand and you can then move around to watch your child/children as they participate in the events in the middle of the field. The children will be in their house teams to score as many points as possible and the winning house will be announced at the end of the afternoon.

Children will need to come into school wearing PE kit, with a sunhat and water bottle.

Yours sincerely

Angela Harris
Assistant Headteacher

"We learn together in God's love by encouraging and supporting one another."
