At Forest School we talked about bonfire night and the origins of this celebration. We made nature fireworks. If you would like to make these at home with your children, please see instructions below:

- Use a toilet roll tube.
- Stretch a balloon over one end of the tube.
- Put small pieces of dry leaves and wool in the other end.
- Then pull the balloon down and release letting the leaves pop out.

The children enjoyed making them. It was a fun and safe way to explore fireworks night .
