

Saturday 4th April

Hello everyone!

I've been in school this week but it is very quiet without all of you there! Your beans and plants are growing well and the children who have been at school have been making sure that they water all the plants and look after the animals.

At school we tried to learn a dance routine with Oti Mabuse from *Strictly Come Dancing*. That was fun!

At home, my eldest son Fin and I have been working on a jigsaw (a big map of Great Britain) which we finished yesterday.

I hope you are all well....keep smiling ☺

Love, Mrs Rushbrook x
