

Helping at Home

Now that I am not at school

I will try to find a way

to help out around the house

by doing useful jobs each day.

Jesus taught us to be kind and that's how I want to be so I'll put away my toys and lay the table up for tea.

I will always make my bed,
help my mum to clean and sweep,
and I'll pray for those I love
just before I go to sleep.
