

Week commencing: 20-04-2020

Year group: 5

Below are some suggestions for learning that your child can do at home this week. We understand that the situation is unprecedented, however we do recommend that the children stay in touch with their learning using the ideas given below. You can help keep your child in contact with the school via the email link shown at the end of this message. Your child may want to share their achievements with their teacher by photographing or scanning it and sending it via email. A teacher will reply with a comment about the work shared.

Please email any completed activities/work to: [homelearning@st-edmunds.suffolk.sch.uk](mailto:homelearning@st-edmunds.suffolk.sch.uk)
