

Week commencing: 27/04/20

Year group: 2

Below are some suggestions for learning that your child can do at home this week. We understand that the situation is unprecedented, however we do recommend that the children stay in touch with their learning using the ideas given below. You can help keep your child in contact with the school via the email link shown at the end of this message. Your child may want to share their achievements with their teacher by photographing or scanning it and sending it via email. A teacher will reply with a comment about the work shared.

Please email any completed activities/work to: homelearning@st-edmunds.suffolk.sch.uk

Subject/ Theme	Learning ideas and activities
English	<p>Spellings <u>Words with the spelling 'a', pronounced /o/, after w and qu (list 26).</u> want watch wander warm wall quad wasps quack quantity squash ➤ These spellings are on spelling shed.</p> <p>Reading Please have a look and use the e-books on these websites, they are free to access! https://home.oxfordowl.co.uk/books/free-ebooks/ https://readon.myon.co.uk/library/browse.html</p> <p>Grammar There are some really good daily grammar activities on the BBC bitesize website, some can be downloaded and some are interactive https://www.bbc.co.uk/bitesize/dailylessons</p> <p>Instructions Write some instructions to make a sandwich. Try to include these in your writing:</p> <ul style="list-style-type: none">• Use a title• Include a list of what is needed• Put the steps in order• Use numbers to separate steps• Use bossy (imperative) verbs• Use capital letters and full stops• Expanded noun phrases for description or detail• Subordinating conjunctions (when, if, that, because)• Apostrophes for contraction• Co-ordinating conjunctions (or, and, but)• Commas in a list• Commands• Time connectives (first, next, last, finally)

Maths	<p>Length</p> <p>I have uploaded some work comparing, ordering and calculating length. Remember to use greater than > and less than < when comparing. Careful when measuring, not all items start at zero on the ruler!</p> <p>Take a look at mathletics, I have set some more tasks.</p>
Science, History or Geography	<p>Geography</p> <p><u>How does the geography of Kampong Ayer compare with the geography of where I live?</u></p> <p>Research and label the following things on the map I have uploaded. You can research using the internet, an atlas or wall map.</p> <ul style="list-style-type: none"> • Write in the names of the four nations: England; Scotland; Wales and Northern Ireland. • Locate and write in the names of the four capitals: London; Edinburgh; Cardiff and Belfast. • In their correct positions on the map, write in the North Atlantic Ocean; North Sea; English Channel and Irish Sea. • Colour the land in green and the sea in blue. <p>History</p> <p>Last term we looked at Neil Armstrong in our Great Explorers, have a look at the BBC lesson on Neil Armstrong at https://www.bbc.co.uk/bitesize/tags/z7s22sg/year-2-lessons/1</p>
Physical Education	<p>➤ Joe Wicks kids workout - 9.00am You Tube 'The Body Coach'</p> <p>➤ <u>Jumps</u> - How many different ways can you find to jump?</p> <p>How far can you jump?</p> <p>How high can you jump?</p> <p>Can you jump from side to side?</p> <p>Can you jump and turn?</p> <p>Now add some music to your jumping to make it more fun!</p>
Arty crafty ideas	<p>➤ 30 Day Art Challenge - I have attached a copy of this for you to look at.</p> <p>➤ Can you follow the instructions to draw cats and dogs? Can you draw them different sizes using different mediums (pencil, paint, chalk, crayon etc)?</p>
RE	<p>I have uploaded a lesson you can do at home using the story Jesus heals the Roman centurion's servant. What is the most important part of the story and why do you think it's important?</p>
