

Saturday 13<sup>th</sup> June Hello everyone!

I have been back in school again this week but it is very different without all of you there. As the weather this week has been a bit rainy, my son Fin has started building a town in lego. At the moment there is just a building site but he loves lego and this is keeping him busy! I hope you are all ok. I'll write again soon.  
Love, Mrs Rushbrook x
