

Monday 29th June 2020

Hello 2E,

It was great to see lots of you at the year 2 online meet on Wednesday. I was impressed with the poems you shared and those you have enjoyed reading and writing.

Well done to everyone who took up Mrs Martin's challenge and has emailed photos to show us how you have kept cool during this hot weather. I particularly love your shaded dens, tasty ice creams and refreshing paddling pools!

I have certainly enjoyed eating lots of ice creams and ice lollies recently to help keep me cool. I wonder what your favourite flavour is. I've also been adding lots of ice cubes to my drinks and putting my water bottle in the freezer to make my drinks more refreshing.

We hope you will be able to join us for a special forest school session on Friday. See the letter emailed from the office for more information. I'm so pleased that you will be able to see some friends from 2E again and we can say goodbye to each other before the summer holidays. Miss Brill is looking forward to coming too and we will say goodbye to her as she is leaving to work at a different school in September. The year 3 teachers Mr Payne and Mrs Jackson will also join us for forest schools, and they look forward to meeting you.

We hope you will be able to try some of the activities in this week's home learning. Let us know how you're getting on at homelearning@st-edmunds.suffolk.sch.uk

Watch my video message to hear about an extra challenge this week. Have a wonderful week and stay safe.

Love from Miss Eden
