

Sunday 28th June

Hello everybody! I hope you are all well. It's been a busy couple of weeks and we have enjoyed some beautiful weather, although today I had to duck in and out of the showers! We all got up very early this morning and were at the beach in Felixstowe by 7 o'clock for an early morning walk and swim. I hadn't been to the beach for a really long time so I was super excited! I love swimming in the sea and it was gorgeous! We had the beach to ourselves and only saw a couple of other people with their dogs. Luna loved jumping in and out of the waves too - until one surprised her and she got completely soaked! We also saw something exciting here during the week. Our pond, that we made a few weeks ago, had a visit from a dragonfly and we saw it lay its eggs! We will keep a look out to see how they develop and I'll let you know.

I hope you are staying safe and well.. I'll write again soon. Take care.  
Love from Mrs Mulligan x
