

Sunday 5th July

Hello everyone! I hope you are all keeping well. It was so nice to see lots of you at the Forest School sessions last week.

It has been a bit of a busy week in the Mulligan house this week as Oscar and I have both had birthdays. We have had to do things a bit differently as we weren't able to see people in the same way but we enjoyed a lovely picnic in the garden for Oscar's birthday with his Grandma and Grandad. Having two birthdays very close together means a lot of cake! Lucy made a lovely chocolate cake for me which was very yummy!

I'll write again soon. Take care.  
Love from Mrs Mulligan x
