Record of PPSG Spending			
Item/Project	Cost	Objective	Outcome
Forest School Provision (staffing)	£8,655	To provide pupils with the opportunity to undertake a range of practical activities, in a physically active outdoor environment, helping to promote healthier lifestyles and develop team working skills.	Children have learnt how to handle risk in a safe outdoor area; gross motor skills particularly upper body are developed through climbing; problem solving and team work promoted through collaborative tasks such as den building & orienteering. Additional equipment and resources have allowed the children to develop outdoor cooking skills and increase understanding of healthy choices and safety.
Sports Partnership Sports Co-ordinator	£2155	To deploy a specialist teacher to train existing teachers across a cluster of schools and promote and encourage to competitive sport.	Our contribution to the Bury Sports Partnership has enabled a sports coordinator to continue to organise a wider range of competitive sporting events for our pupils to take part in. This has encouraged more children to enter competitions, join clubs and become more physically active.
French Residential (year 6)	£1,331 £1,082	To enable participation in outdoor adventurous activities	Children learn to handle risk in a range of outdoor activities with a range of peers from pyramid primaries as part of transition project
Horstead (year 4)	£1,530	To enable participation in outdoor adventurous activities	Children learn to handle risk in a range of outdoor adventurous activities which they do not have access to through regular PE sessions

			and also teaches the children about personal safety; develop self-confidence to tackle challenges beyond comfort zone & work with peers from partnership school
Swimming	£3098 £1034	To be able to swim at least 25 meters using technically competent front and back stroke	Children understand basic water safety and can swim on front and back using recognisable stroke; enjoyment in swimming increased due to improved ability.
Specialist Dance teaching	£850	To provide expert teaching of Dance alongside class teachers in	The dance curriculum in years 3, 4 and 5 is strengthened as a result of a specialist dance teacher designing high quality units of work. Staff will be upskilled in their own teaching of dance through observations of high quality dance teaching, resulting in an enhanced quality of future teaching in the school and further development of staff subject knowledge.
Attendance at competitive sport events	£200	To promote and encourage competitive sporting activities outside of school.	Staff have been able to take pupils to competitive sports events hosted by the Bury Schools Sports Partnership. This has broadened the children's experiences of competitive sport in a variety of sports such as Tag rugby, swimming, basketball and football.
