

Miss Ruffell's One Page Profile

What I would like you to know about me.

- I have a fluffy white Maltese Dog called Harry who is very old. His tongue hangs out as he has no teeth.
- I have 2 children.
- I love playing games and listening to stories.
- I love going to the seaside and building sandcastles.

Something I find tricky is...

Sitting still for a long time and not talking.

Times tables.

I can help you by...

- Greeting you with a friendly face and a big smile.
- Always being here to listen to you, when you feel worried or sad.
- Helping you with your work when you find it tricky.
