

Mrs. Rushbrook 's One Page Profile

What I would like you to know about me.

- My favourite subject is Art.
- I have two boys who are now taller than me!
- We have a little green parakeet.
- I enjoy visiting other countries and trying to speak new languages.
- I read a lot of books in the holidays.
- I try to go for a run every week.
- Sometimes I wear glasses.

Something I find tricky is...

remembering to check on what is cooking. I have been known to get distracted and make things a bit crunchy!

I can help you by...

- being kind and patient.
- finding different ways to explain something.
- making you feel safe and important.
