

Mrs Nutt's One Page Profile

What I would like you to know about me.

- I have a rabbit - she is called Myla.
- My favourite colour is blue.
- I love baking!
- My favourite subject is maths.
- I am from Stockport, near Manchester, so sometimes I say words with a different accent to you.
- Mrs Whyatt and I did our teacher training together.

Something I find tricky is...

- I still find my 7 and 8 times tables hard to remember.
- I read books quite slowly as I like to enjoy them - but it takes me a long time to read a book!

I can help you by...

- Being kind and making sure you understand your learning.
- Always being ready to listen if you find something tricky or are worried.
- Working out ways to help you be a better learner.
