Dear Parents/Carers,

We are excited to celebrate World Book Day on Thursday 6<sup>th</sup> March and this year we are doing something a little different! We are inviting all children to take part in a fun and creative challenge – **turning a vegetable into their favourite book character!**

This activity is a great way for children to express their creativity and engage with their favourite books in a new way. They can use any vegetable/fruit (e.g., a potato, carrot, pineapple or cucumber) and either carve it into a shape or decorate it using paint, fabric, paper, or any other materials to bring their chosen character to life. Below are some creations to hopefully act as inspiration!

On World Book Day, the children will be invited to bring their creation to school to share with their classmates. Throughout the day, the children will also take part in a variety of book-themed activities, including storytelling sessions and fun literacy challenges.

We hope this challenge makes World Book Day accessible and enjoyable for all, and we can't wait to see the fantastic vegetable characters your children create!

Thank you for your support.
