

Dear Parents Guardians and Children,

Once again, we have arranged for our very popular after-school gymnastics club to continue in January, on Mondays from 3.25-4.25pm. The sessions will continue to be coached by Polly Harris, a highly experienced level 3 coach who is helping our pupils to hone their skills on the floor and attempt some basic springboard and vault work when possible, as well as setting some body conditioning and strength exercises to prepare the children for the skills they are attempting. Examples of skills include jumps, leaps, rolls and more -dependant on the individual's ability. She also offers the opportunity for the children to gain their British Gymnastics badges- and the children are given the chance to purchase an official badge and certificate to mark their achievement should they so wish.

Along with her various gymnastics qualifications, Polly holds a current DBS, First aid certificate, safeguarding and equity certificates.

This club will be running on term-time Mondays after school from 3.25-4.25 with the first of the 11 sessions next term taking place on Monday 13th January and the final session on the 30th March. Please note, that due to some problems with late payments, children will no longer be accepted to join in a session until full payment has been made (or a plan for payment put in place) The "early bird" cost of this course is £44 if payment is made by **the end of this term.(20th Dec)** *Payments made after this date will incur the full fee of £55.* Payment can be made via bank transfer or cheque with this slip being handed to the front office. Please contact Polly directly at somersault_sports@yahoo.co.uk if you have any questions - she is willing to make alternative arrangements to allow participation if payment cannot be made in full at this time.

Gymnasts may choose to wear their PE kit or a leotard/unitard if they prefer and no shoes or socks will be worn. Jewellery cannot be worn in this club and long hair must be tied back- as per British Gymnastics rules. If you would like to allow your child to take part in this opportunity, then please fill in the form below, [circling the appropriate options](#), and return it ASAP to secure a space. If you have any questions, you may contact Polly directly at somersault_sports@yahoo.co.uk.

Thankyou and good luck!

I wish for my childDOB.....to attend the after-school gymnastics club on Mondays from 3.25-4.25pm. I have read the letter and understand the clothing requirements and that my child may be refused entry if they do not comply, likewise if their behaviour is inappropriate. I am aware that refunds can only be made in special circumstances and providing that another child has taken up the free space. I am aware that every effort will be made to reduce the risk of injury, but that gymnastics is a physical activity and therefore carries an element of risk.

-I enclose [cheque](#) (made payable to Polly Harris) in a marked envelope (with this slip included) to cover the full cost of the 11 week course

-I have made a [bank transfer](#) for the full cost of the 11 week course NatWest account "Mrs P Harris" Account number: 48595535 Sort code: 602103 Please use child's name as reference and hand this slip in separately

If your child has specific issues/medical requirements which you would like Polly to be aware of in order to create a gymnast centred learning environment, please state the details on the back of this slip
