

Miss Robinson's One Page Profile

What I would like you to know about me.

- Before I was a teacher I used to work abroad.
- I find the sea and the waves peaceful and calming. I like taking my dog Nala to the beach - she loves the sea and swimming.
- My favourite colour is orange.
- My favourite subjects to teach are English and PE.
- I play netball and like to swim.
- Autumn is my favourite season.

Something I find tricky is...

- Doing more than one thing at a time - I can become overwhelmed.
- Remembering to do things that are not written down.

I can help you by...

- Going through things one step at a time, and breaking learning down into smaller steps.
- Giving you a smile and listening.
- Helping you to resolve things you are not quite sure how to resolve on your own.
